Dear Valerie:

Yesterday I talked to Ewald, he is attending the SOT meeting, and he told me that Wolf Reininghaus has approved the removal of WSA project # NO1123 (Parameter 4: Filter) from the 2001 Plan.

Kind regards,
Michaela

Dear Ewald,
Just to confirm - can I remove project # N01123 (Parameter 4: Filter) from the 2001 Plan? I wanted to make sure I had interpreted your response correctly before updating my documents. Please advise.

Kind regards,
Valerie
